OTHER FACILITIES

Spa By JW

- The spa features six treatment rooms, an extensive menu of massages and beauty treatments, and amenities including serene spaces, a steam room, a sauna, a jacuzzi, a fitness trainer, and yoga facilities.

JW Garden

- A place for respite and deeper connection where herbs, vegetables, and ingredients are grown for the culinary journey at the resort, using sustainable practices. With its quiet seating and calming fragrances of herbs, guests are welcome to pause, reflect, and be one with nature.

Kids Club

- A dedicated zone offering interactive "Edutainment" activities designed to educate and entertain young guests.
- Activities also emphasize sustainability and encourage meaningful connections between kids, their families, and the environment.
- Babysitting services are also available.

Boutique

- Books, resort wear, and essentials are available for purchase, alongside the region's finest art, jewelry, and handicrafts.

Swimming Pool

- The main pool is located next to the main restaurant; drinks and light meals are available poolside throughout the day
- A separate lap pool to keep you refreshed
- A kids' pool is also located alongside

Fitness Centre

- Full range of cardiovascular and strength-training equipment
- Serene ocean view

Water Sports & Dive Center

- Variety of water sports equipment, motorized and non-motorized, as well as several excursions including big game fishing and whale shark spotting
- Explore the pristine reefs of Maldives with the PADI-certified dive center, offering courses from introductory to Dive Master levels.

Destination Dining

- Private chef experience in serene sumptuous settings

Others

- A doctor is always on the island, and the clinic provides immediate treatment and care.
